# TAP-TO-PAY? ON THE WAY!

Your next reissued MACU card will include the convenient tap-to-pay feature for faster, easier checkouts. New tap-enabled cards will automatically replace your current card as they reach their expiration dates.

## NOW, AT SHARED BRANCHES

If you bank at one of our Shared Branch locations, a teller can now identify and authenticate members' IDs in the branch using a QR code and one-time passcode multi-factor authentication verification. This additional layer of authentication will be used for loan payments, cashier's checks, deposits, withdrawals, transfers, and account inquiries.

*It's secure, simple, and quick! Visit a branch or scan the QR code to get started.*
