Sign Up Bonus

As a Sign Up Bonus to individuals at least 18 years of age who open and fund a new Kasasa Tunes account, our credit union will refund up to an aggregate total of \$20 (which includes any applicable taxes) for any iTunes, Amazon.com or Google Play purchases made with your Kasasa Tunes debit card that post and settle to the account within the first 60 calendar days after your account is opened. This refund will be credited to your account on the last day of the current statement cycle after your aggregate iTunes, Amazon.com, Google Play purchase threshold of \$20 posts and settles to your account. This bonus will be treated as interest for IRS (Form 1099 INT) reporting purposes. Any portion of the Sign Up Bonus that is not used within the stated time period will be forfeited. No minimum balance is required to obtain this bonus. No minimum deposit is required to open the account. Limit one (1) account per social security number and one Sign Up Bonus per account per calendar year. If your Kasasa Tunes account is closed within 3 months of account opening, we will deduct the Sign Up Bonus at closing. Sign Up Bonus will not be paid if accountholder switches into Kasasa Tunes from another Kasasa account that offered an account opening incentive to open the initial account.

Account Overview

Kasasa Tunes is a free variable rewards checking account with no minimum balance that rewards accountholders with reimbursements on iTunes, Amazon.com and Google Play purchases and nationwide ATM fee refunds when they meet minimum qualifications during the account's Monthly Qualification Cycle.

Purpose & Use Expectation

This account is intended to be the accountholder's primary checking account in which day-to-day spending activities including but not limited to grocery, gasoline, apparel, shopping, dining, sporting and entertainment transactions are posted and settled.

Commensurate with the spending activities identified above, we expect the account's debit card to be used frequently throughout each month and for transaction amounts to reflect a wide dollar range. Small debit card transactions conducted on the same day at a single merchant and/or multiple transactions made during a condensed time period particularly near the end of a Monthly Qualification Cycle are not considered normal, day-to-day spending behavior. These types of transactions appear to be conducted with the sole purpose of qualifying for the account's rewards and thus will be deemed inappropriate transactions and will not count toward earning the account's rewards.

Members Advantage Credit Union reserves the right to determine, if the account is being maintained for a purpose other than day-to-day, primary use. Accountholders who persist in making debit card transactions in a calculated and limited fashion in order to meet their monthly qualifications may have their accounts converted to a different checking account or closed altogether. We also reserve the right to convert the account to a different checking account if the account does not have consistent active use over 12 consecutive Statement Cycles.

We have the right to close this account at any time, with proper notice. Our decision to close the account will not affect your existing obligations to us including any obligation to pay fees or charges incurred prior to termination. No deposits will be accepted and no checks will be paid after the account is closed. If the account is closed, you will forfeit any rewards that have not been credited to your account. A Members Advantage Credit Union check for the remaining balance, if applicable, will be mailed to accountholder at the address indicated on our current records. Upon termination of your Kasasa Tunes account, any optional add-on products or services associated with this account will also be terminated at the same time.

Qualifications

To earn your account rewards just do the following transactions and activities in your Kasasa Tunes account during each Monthly Qualification Cycle:

- Have at least 12 debit card purchases post and settle
- Be enrolled in and agree to receive eStatements
- Be enrolled in and log into online banking at least once

Transactions must post and settle to the account during each Monthly Qualification Cycle and may take one (1) or more Banking Days from the date the transaction or activity occurred to post and settle to the account.

"Banking Day" means any business day on which an office of the credit union is open to the public for the purpose of carrying out substantially all of its banking functions.

The following activities do not count toward earning account rewards: ATM-processed transactions, transfers between accounts, debit card purchases processed by merchants and received by our credit union as ATM transactions, non-retail payment transactions, and purchases made with debit cards not issued by our credit union. Transactions bundled together by merchants and received by our institution as a single transaction count as a single transaction for the purpose of earning account rewards.

"Monthly Qualification Cycle" means a period beginning one (1) day prior to the first day of the current Statement Cycle through one (1) day prior to the close of the current Statement Cycle.

"Statement Cycle" means the period of time for which Members Advantage Credit Union provides a summary of the financial activities and transactions that post and settle to the accountholder's account.

Rewards

When Kasasa Tunes qualifications are met during a Monthly Qualification Cycle: (1) you will earn up to an aggregate total of \$10 (which includes any applicable taxes) in refunds for any iTunes, Amazon.com or Google Play purchases and in order to be refunded iTunes, Amazon.com and Google Play purchases must be made with your Members Advantage Credit Union Kasasa Tunes debit card and must post and settle to your account no more than 30 days after the Monthly Qualification Cycle in which you qualified ends and (2) you will receive reimbursements up to an aggregate total of \$25 (max. \$5 per single transaction) for nationwide ATM withdrawal fees imposed by other financial institutions and incurred during the Monthly Qualification Cycle in which you qualified. An ATM receipt must be presented for reimbursements of individual ATM withdrawal fees based on estimates when the withdrawal information we receive does not identify the ATM fee. If you have not received an appropriate reimbursement, we will adjust the reimbursement amount if we receive the transaction receipt within 60 calendar days of the withdrawal transaction. iTunes, Amazon.com, Google Play refunds and ATM fee reimbursements will be credited to your account on the last day of the current Statement Cycle in which these purchases post and settle to your account and the ATM fees were incurred. When Kasasa Tunes qualifications are not met, iTunes, Amazon.com, Google Play purchases and ATM fees are not refunded.

Each "grant" is valid for up to and including 30 calendar days. All iTunes, Amazon.com and Google Play refunds are "credited" against your account's oldest active "grant." If the account is closed, you will forfeit any refunds grants that have not been credited to your account. Rates and rewards are variable and at our discretion may change after the account is opened without notice to you. Fees may reduce earnings. No minimum balance is required to earn or to receive the account's rewards. Rewards less than a penny cannot be distributed.
